EXPERIENCE

Boy Scout

Associação de Escoteiros de Portugal

- Manage and support people in order to achieve goals and have one team where all are united.
- Lead with different personalities, try to adopt different strategies to complement the team, and then help others to achieve their goals.
- Having an open mind to discuss concepts of strategies and solutions so that we can accept the idea that was found together.

Scout Leader

Associação de Escoteiros de Portugal

- Used in teamwork and in meetings to develop strategies that make our goal achievable and realistic.
- Experience in learning with leaders who already have more experience and apply what I learn to the environment around me.
- Analyze unpredictable situations that happen to develop solutions with search and auto reflective thought.
- Observe the people who work with me in order to understand their difficulties and then create a good connection.

Mentoring

Instituto Superior Técnico - Taguspark

- Review theoretical concepts and auto correction, upgrading my old knowledge to don't share or use wrong information
- Search resources that can be useful to share and apply them
- Develop shortcuts to make hard quests easier
